The Out to Lunch Bunch Hiking Club meets every Wed. & Sat. morning at the east end of the Davison Library parking lot – leaving promptly at 8:45 am. We carpool to the trailhead, hike and then make a stop for lunch at a local restaurant, returning about 1:30 pm. The hikes are approximately 5 miles and vary in difficulty. Wear appropriate footwear and clothing. You are encouraged to bring your own water and a small snack (apple, snack bar, trail mix). A \$1 donation is collected per hike for a college scholarship fund. We welcome you to join us for conversation, exercise and enjoying God’s beautiful nature.

**Note: If Davison schools are cancelled due to bad weather, that days hike will also be cancelled.
We do not hike in weather below 0. Snow and ice will always add an additional level of difficulty to any hike.**
